

Twister Black

This innovative Digital PLL FM radio and MP3 player is completely portable, thanks to its integrated battery. Multiple input options for MP3 and WMA files playback like USB, SD/MMC, Micro SD or the auxiliary input where you can also connect your Ipad or Iphone. It also has earphone output and you can charge its battery from the PC USB connector or thanks to the included AC adapter also from your wall socket. You will be impressed by the strong sound power in such a small device.
